\* Indicates District combined with another District to form a Region.

In addition to the minimum number of individual and relay entries (qualifiers) per District or Region sponsoring a qualifying meet involving at least four (4) member senior high schools sponsoring swimming in the respective enrollment classifications, an additional 16 individual swimming event entries (qualifiers) and an additional 8 relay event entries (qualifiers) will advance to the PIAA Swimming Championships based on the PIAA District or Region qualifying meet time, to provide for a maximum of 32 entries (qualifiers) in each individual swimming event and a maximum of 24 entries (qualifiers) in each relay event, respectively.

In the event of a tie for the 32nd qualifier in an individual swimming event and/or a tie for the 24th Team qualifier in a relay event, a validated fully automatic District seed time will determine which individual swimmer and/or relay Team will advance to the PIAA Swimming Championships.
